Maleny Bowls Club Results

Sunday's visit from the Caboolture Clubs was the highlight of last week. Forty-eight bowlers and eight other visitors enjoyed a Bar-be-Que lunch before their bowlers joined with some of ours for 18 ends of social bowls.

There were 12 Teams of four and four of Triples. There were no dead ends and no measuring for shots was allowed. Both the winning team and the runners-up were skipped by Maleny players. Perhaps a bit of local knowledge played a part.

The winners with plus 24 were the team skipped by Curley Petersen containing Gwen Alexander, Bert Tonkin, Jeff Doherty and Curley.

Les Bennett skipped the runners-up and consisted of Les, Helen Kathdahl, Joe Toth and Margaret Doherty. Congratulations to all winners.

Many thanks to all the helpers who did the cooking and those that worked tirelessly in the kitchen and to the Ticket Sellers. Your efforts were greatly appreciated and ensured the day ran smoothly and was thoroughly enjoyed by all.

Tuesday's winners with two wins plus 15 were Dulcie Sperling and John Kapetanic. The Touchers went to Cliff Deans, Bas Crain and Keith Holdway.

The Jackpot wasn't won and the lucky Money-board winner was TT [Tony Turner.]

Friday's winners with plus 16 were Diane Drew and Peter Duffy. Lately it seems that either John Kapetanic or Peter Duffy are in the

winning teams.

The only Sponsors' Prize winner present was Roy Gesch whose number came out for the Live Life Villages Prize of \$260 worth of IGA vouchers. Members to miss out were: Sandra Kapetanic for Supa IGA now worth \$200 this week, Ray Green for the Full Monte, Steve Lawrence for Beechwood Bakehouse and Dick Andrew for Lavender Fields in the Mist.

Bar-be-Que chef extraordinaire, Ewan Sweeting was the Money-board winner.

The first round of both the Men's "A" and "B" Singles have been played. The results are too numerous to mention but a reminder to the remaining players that it is your responsibility to organise a marker for your next game.

By protocol, it is the defeated contestant who marks the next game but I'll leave it with you to sort out.

Most Members are quite willing to mark if asked.

This week there is the usual Jackpot Pairs/Triples Tuesday, Social Bowls Friday and Saturday and the visit from the Eventide Club from Margate on Sunday. They don't have nearly as many players as Caboolture had so a good roll-up of our Members would be appreciated.

Finally, thanks to all involved in Friday evening's Bar-be-Que. It was well patronised and enjoyed by all. Once again many thanks for your efforts.

Maleny Golf Driving Range finally a goer!

Maleny Golf Club is delighted to announce to the community that their temporary driving range and practice facility was approved by Council on 29th March.

It's been a long wait for MGC. Council's assessment officers were ready to give approval on 23 February – in plenty of time for Doug Walters to hit the first 'official' ball on 28 February before the Sportsman's Dinner. Or so the Maleny Golf Club had reasonably planned. But as they have become patiently accustomed to, Council 'hiccups' appeared, and approval was again delayed.

Their plans certainly were not assisted by some unhelpful bureaucrats. It is a sad fact that unfortunately, the club has had to deal with some Council officers who seemed determined to obstruct

sport and recreational facilities on the Community Precinct, especially golf.

But, fortunately, the club received excellent support from Council's development assessment team who steered the application through some tortuous and unnecessary red tape - and intriguing, because it was Council that persuaded Stephen Porter to sell his farm so that there would be ample room for an 18 hole community golf course.

However, all was not lost and the club put the extra wait time to good use. Some important principles were successfully established, with Council's own environmental and technical experts confirming that well constructed and managed driving ranges do go hand in hand with environmental protection and biodiversity conservation. All of

which should now serve MGC well when they tackle the bigger challenge of securing approval next for constructing and managing an 18 hole golf course.

Shipping containers to store equipment and provide rudimentary office space have already arrived; with some fortuitous good timing, the Manly Driving Range in

Brisbane recently ceased operations and much of their equipment was secured by MGC, including 40,000 golf balls, a superb 3-gang ball picker and prime mover, distance markers, chairs, tee dividers and more. The gear was collected and transported to Maleny on 6 April.

Over the coming weeks more work bees will be organised to make the final preparations - it's hoped that the club will make an announcement regarding the opening of the facility shortly, informing district golfers when all this equipment and effort can be put to good use by MGC members and others keen to develop or hone their golfing skills.

Enquiries: maxwhi@aapt.net.au

Nothing could deter keen golfer Doug (on left) from having a few practice shots with Beerwah Club Champion Garth Bailo on site before he later entertained 200 guests at the 2010 Sportsman's Dinner.

Why be a volunteer?

It's not for the money
It's not for the fame,
It's not for any personal gain,
It's just for the love of fellow man,
It's just to lend a helping hand,
It's just to give a tithe of self,
that's something you can't
buy with wealth,
It's not medals worn with pride
It's for the feeling deep inside,
It's that reward down in your heart,
It's a feeling that you've
been a part of
Helping others far and near,
That makes you a Volunteer.

Maleny IGA Community Benefit Fund kicks a big goal

The Ranger's u6 side received an impressive cheque from Maleny IGA Proprietor and Rangers supporter Rob Outridge.

So generous is the sum of \$2079.19 that the boys could shelter from the occasional showers that we have been having beneath it.

Thanks to Rob and Sam Outridge and Maleny I.G.A.

Accidentally Carbon Street! -book your ticket now!

If you enjoyed Simon Denver's zany takes on contemporary (Maleny) issues in "Accidentally Maple Street" and "Accidentally Bunya Street" you are once again invited to come out and claim your right to smile, enjoy yourself and perhaps even - think.

Art and science have normally had an estranged relationship. But these two diametrically opposed bedfellows will share a stage on Friday 23rd April at the Maleny Community Centre.

Under Simon Denver's unique and entertaining compering skills, both Climate Change and Global Warming will be put under the spotlight as he poses the questions "Are we

all going to hell in a handbasket, and is it our fault?"

Some of the Range and the coast's best entertainers will be on show that night with well known locals Murray Wall, Liz Schluter, James Allen and Amanda Roberts strutting their stuff alongside coast wags Sam Coward, Jaimie Lockart and Chris Surplice.

All are donating their time and talents to this unique and original evening, which is also a Fund Raiser.

All profits will be donated to the Pyjama Foundation - a registered charity that supports Foster Children. Patron Inge Slipper is ecstatic that this worthy organisation

will benefit from such an original evening.

Inge and her husband Peter Slipper (our federal member) will be in attendance. Simon Denver can guarantee that this is one debate he won't fall asleep during!

"Accidentally Carbon Street" will be performed at the Maleny Community Centre on Friday 23rd April.

Doors open at 6:30 pm Show commences at 7:30 pm. (subject to the prevailing climatic conditions)

Tickets and bookings are available at the Bower Bird on Maple Street \$15 and \$12 concession.
