### ***Council previews insight into hinterland precinct.***

Council and the Maleny Precinct Working Group recently had a preview of the bright ideas proposed by the planning consultants designing the Maleny Community Precinct.

Council and the Maleny Precinct Working Group yesterday had a preview of the bright ideas pro-

posed by the planning consultants designing the Maleny Community Precinct.

Sunshine Coast Division five councillor Jenny McKay said the vision for the precinct is to create an area that not only locals but ultimately the whole Sunshine Coast community and their visitors can enjoy.

“Following a number of meetings with council and the working group, the lead consultants Gamble McKinnon Green, today presented a draft of their ideas to the group for consideration,” Cr McKay said.

“This is a complex project with lots of high and differing expectations—there has been a lot of discussion to date between council, the working group and the consultants around the limitations of the site.

“But I think that the consultant’s ideas were warmly received by the working group and that good progress is being made.”

“The consultant’s are suggesting that Pattermore House becomes the primary destination for visitors arriving at the precinct.”

“They believe that the house should be conserved, and council

would love to see this happen with the Friends of Pattermore House and the Historical Society working together with heritage architect Roger Todd to do this.

“Gamble McKinnon Green are also proposing that Barung Land-care now be located to the east of Pattermore House outside of the Pattermore House heritage precinct with plenty of room to expand their operations over time.

“The golf course designer has been working overtime to maximise the number of holes on the course and I think golfers will be pleasantly surprised at the proposed course layout.

“Considerable effort has also gone into achieving a balance between environmental and social outcomes.

“Council will work closely with Maleny District Green Hills to plant and develop an environment corridor and walking trails along Obi Creek and over time to develop the Obi Obi parklands in the west of the precinct.

“A lack of flat land has meant a challenge for the proposed sport facilities. - Cont Page 3.

### Maleny Bowls Club Results

Tuesday's winners with two wins and the impressive margin of plus 36 were Helen Caulley and Peter Duffy. The Touchers went to Gary Caldicott, John Kapetanic and Eric Drew.

Ernie White, playing his first game for 2010, was the lucky Money-board winner.

Friday, for a number of reasons, there was just a social roll-up followed by the BBQ whom all present thoroughly enjoyed. Just a slight complaint re the BBQ, there were only 10 names down but 19 attended. Whilst this is great, it creates quite a catering problem. We really need to know on Thursday evening how many are intending to patronise the BBQ for catering purposes.

We usually allow for a few extra but not double the number. Fortunately, we didn't have to turn anyone away but it did make things somewhat difficult.

Because Good Friday falls on the first Friday in April, the next BBQ will be on Friday April 9th so please get your names on the sheet prior to the date.

The only Sponsors' Prize winner present on Friday evening was Reg Darweell who won the Full Monte Prize. Those to miss out included: Phil English for Supa IGA now worth \$120 this week, Callum Roy for Beechwood Bakehouse, Stephen Lawrence for Live Life Villages now worth \$200 this week and Stephen Edwards for Lavender Fields in the Mist. John

Long was the lucky Money-board prize winner.

This week, weather permitting, will be a busy one for Bowlers.

Tuesday was Jackpot Pairs/Triples, perhaps, depending on numbers, Nominated Mixed Triples on Thursday, Social Bowls Friday, a roll-up Saturday afternoon, The Hibiscus visit on Sunday-- 12.00 for 12.30-- then on the Monday, March 22nd, Men's Monthly Jackpot Pairs.

Surely the weather will be kind for a change and all games can go ahead as scheduled.

However, council and Consultants are working closely with the Maleny Sport and Recreation Association to try and maximise the opportunities for field sports on the precinct.

“These ideas, along with the final master plan, will be refined with the stakeholders over the next couple of months and are expected to be presented to council in early June 2010.”

### Range Croquet Club Maleny Results

At last blue skies, or at least the absence of rain, allowed players at Maleny’s Range Croquet Club to wield mallets on the lawns. Vince and Val Carbery played Association Croquet. Vince won 26-20. Kath Smith played Wendy Revell in two games of Golf Croquet with Kath winning both games 7-5. On Sunday Vince and Val lined up again. Val played some excellent shots, but Vince just pipped her at 26-23.

Vince started a short game (maximum possible score 14) against Kath Smith, but when he was leading 6-5, our very keen beginners turned up, and Vince and Val turned their attention to coaching.

Club member Nick Cram took out the Third Division of the Bribie Island Tournament by winning 6 of his 7 games. In 4 games, Nick pegged out (achieved maximum possible). The runner-up was Michael Bertram from Buderim. Congratulations Nick.

Members are reminded of the next meeting on Thursday, May 18, at 11 am.

For information about croquet, ring Vince Carbery (5494 2193) or Kath Smith (5499 9101).

### Maleny Redbacks ready to rumble

The Kelshan Transport Maleny Redbacks 5th Division cricket side has progressed through to this weekend's grand final, without a ball being bowled. The consistent wet weather on Saturday meant that the team's semi final against Nambour was abandoned.

The Redbacks, who finished second at season end, therefore move through to the Grand Final against Palmwoods to be held at the Maleny Showgrounds this Saturday from noon.

Redbacks' Captain Ray Farrell commented, "Although we will be down some key players on Saturday, the guys are eager to claim the

trophy for Maleny. The boys even found time between the constant showers on Saturday afternoon to hold a solid training session."

The Redbacks will be up against an inform Palmwoods side who disposed of Coolum in their semi final last weekend.

Games have been shared between the two sides throughout the regular season with Palmwoods claiming victory in their one day match, while Maleny cruised to triumph in the corresponding T20 match.

The 5th Division result was a shining light in an otherwise fruitless weekend of cricket for the Maleny Redbacks.

The Maleny Under 16's side came agonisingly close to victory in their rain effected Grand Final clash against Landsborough.

The boys performed well in the field with captain Harrison Canton leading the way claiming 5 for 11 off 4 overs. Needing only a small total for victory the team fell just short missing

the required total by one run.

The players should be proud of their efforts and achievements throughout the season and are to be congratulated for their attitudes and way they represent the club.

The Hotel Maleny 3rd Division side was also defeated in wet condition in their semi final against Palmwoods.

Batting first on a damp field the Redbacks failed to post a defendable total being bowled out for 96.

Palmwoods then showed their class to cruise to victory with the loss of only a few wickets.
